PRINCE:

You sure did take a while to finally respond back. Haha

LAUAREN:

Yea sorry. Im rarely ever on that app, and things just got so busy with the move.

That's okay, I've been pretty busy with work myself; trying to yup into the 7 figures market. *yawns*

The date continues, with them laughing together, him showing that he is a genuine gentleman with his head on straight.

(add moments of Lauren sniffing the air and also shots of NAME trying to be sneaky and spy but being really bad at it) But as Prince walks Lauren to the car, they share a moment and lean in for a kiss

PRINCE:

LAUAREN:

You're breath got 100% on rotten tomatoes! No question!

PRINCE:

LAUAREN:

Prince pulls out his phone to look in the camera

LAUAREN:

You need to go to the dentist ASAP!

PRINCE:

Dentist are a scam!

LAUAREN:

PRINCE:

NAME steps out from above, where she was spying in a tree

NAME:

Bro you sound stupid! Your breath was making my eyes water, and I was chilling in a damn treehouse!

The girls laugh and tell him to get lost as they return home.
